Instructions For Quarterly Schedule N

Schedule N should be completed by:

1. vendors providing parking, garaging or storing of motor vehicles within New York City at facilities other than garages which are part of premises occupied solely as a private one or two family dwelling;
2. vendors providing interior cleaning and maintenance services performed on a regular contractual basis for a term of thirty days or more within New York City;
3. vendors providing credit rating and credit reporting services within New York City;
4. vendors providing interior decorating and design services within New York City;
5. vendors providing beauty, barbering, hair restoring, manicuring, pedicuring, electrolysis, massage services and similar services within New York City;
6. operators of weight control salons, health salons, gymnasiums, turkish baths, sauna baths and similar establishments within New York City to report receipts from the sale of services or charges for the use of such establishments;
7. vendors providing protective and detective services (except as noted below) within New York City; and
8. operators of hotels, motels and similar establishments located within New York City reporting charges for hotel room occupancy.

A vendor who must file Schedule N must also complete Form ST-100, *New York State and Local Sales and Use Tax Return*, reporting any other taxable receipts on page 2, Form ST-100. Instructions for preparing Form ST-100 also relate to preparation of Quarterly Schedule N.

Enter, in the spaces provided, your name, address, and sales tax identification number as they appear on the pre-addressed Form ST-100.

Part I: All vendors who provide parking, garaging or storing of motor vehicles must complete both Section (A) and Section (B) of Part I.

(A) The information requested in Section (A) must be separately indicated for each facility operated. The license number refers to the license for the facility issued by the New York City Department of Consumer Affairs (DCA). The licensed vehicle capacity refers to the capacity most recently authorized by DCA. The maximum daily rate refers to the cost of keeping a vehicle in a garage all day, not including overnight, as on file with DCA. At any facility where only residential parking is provided and where only a monthly rate is charged, the monthly rate should be entered in the Maximum Daily Rate Column and should be identified as a monthly rate.

A vendor filing Schedule N who reports parking for more than six facilities should attach a separate schedule indicating the address, license number, licensed vehicle capacity, and maximum daily rate for each garage not listed in Part I Section (A).

(B) Vendors providing parking, garaging or storing of motor vehicles within the counties of Bronx, Kings, Queens and Richmond should report receipts from the sale of such services on the **New York City Except Manhattan** line in Section B. Receipts from the sale of these services within Manhattan should be reported in Section B on:

- The **New York City Manhattan Only - Except** line if the receipts are subject to tax at the combined rate of 14%

or

- the **New York City Manhattan Residents** line if the receipts are taxable only at the local 6% rate because the service is provided to a Manhattan resident who furnishes the vendor with a validated certificate of exemption issued by the New York City Department of Finance. (See TSB-M-85 (14)S for information regarding this exemption program for certain Manhattan residents.)

Part II: Vendors providing cleaning and maintenance services, credit rating and reporting services, interior decorating and designing services, miscellaneous personal services (see 5 and 6 above), and protective and detective services (except as noted below) within New York City, should report receipts from these services on the appropriate line in Part II of this form.

Note: *Protective and detective services do not include services performed by port watchman licensed by the Waterfront Commission of New York Harbor. The term "port watchman" includes a watchman, gateman, roundsman, detective, guard, guardian or protector of property employed by the operator of any pier or other waterfront terminal or by a carrier of freight by water to perform services in such capacity on any pier or other waterfront terminal.*

Part III: Operators of hotels, motels and similar establishments within New York City should report receipts from hotel room occupancy on the appropriate line of this section. Receipts from the first 90 days of occupancy are subject to a combined state and local sales tax rate of 8¼%. Receipts for the 91st through 180th days of occupancy are subject to the 4% local tax.

After 180 consecutive days of occupancy the room occupant is not required to pay either state or local sales tax on the charge for room occupancy.

All other taxable sales by hotels, motels, etc. (restaurant sales, gift shop sales, etc.) should be reported on page 2 of Form ST-100 and/or appropriate schedules.

Taxable Receipts - Column (c)

Report on each appropriate line the taxable receipts for the type of tax imposed by the locality shown on that line. Enter the sum of the amounts in Column (c) on the "Total" line.

Tax - Column (e)

Compute the tax by multiplying the amount in Column (c) by the combined state and local tax rate shown in Column (b).

Enter the sum of the amounts reported in Column (e) on the "Total" line. Include this total in the amount to be reported on Line 1, Page 1 of Form ST-100.

Credits

Credits which can be identified by locality should be taken on the appropriate line on the front of this form. Credits taken on this form should be included in the total amount entered in Box D on the front of Form ST-100.

Net credits (negative amounts) should be shown in parentheses.
