- all interior cleaning and maintenance services;
- credit rating and credit reporting services;
- interior decorating and design services;

- charges for occupancy of hotels, motels and similar establishments located within New York City.

A vendor who must file Schedule N must also complete Form ST-810, *New York State and Local Sales and Use Tax Return*, reporting any other taxable receipts on page 2, Form ST-810. Instructions for Form ST-810 also apply to *Quarterly Schedule N*.

Enter in the spaces provided your name, address, and sales tax identification number as they appear on the preaddressed Form ST-810.

Part I: All vendors who provide parking, garaging or storing of motor vehicles must complete both Section (A) and Section (B) of Part I.

(A) The information requested in Section (A) must be separately indicated for each facility operated. The license number refers to the license issued for the facility by the New York City Department of Consumer Affairs (DCA). The licensed vehicle capacity refers to the capacity most recently authorized by DCA. The maximum daily rate refers to the cost of keeping a vehicle in a garage all day, not including overnight, as on file with DCA. At any facility where only residential parking is provided and where only a monthly rate is charged, the monthly rate should be entered in the *Maximum Daily Rate column* and should be identified as a monthly rate.

A vendor filing Schedule N who reports parking for more than six facilities should attach a separate schedule indicating the address, license number, licensed vehicle capacity, and maximum daily rate for each garage not listed in Part I Section (A).

(B) Vendors providing parking, garaging or storing of motor vehicles within the counties of Bronx, Kings, Queens and Richmond should report receipts from the sale of such services on the *New York City Except Manhattan* line in Section B. Receipts from the sale of these services within Manhattan should be reported in Section B on:

- The *New York City Manhattan Only - Except* line if the receipts are subject to tax at the combined rate of 18¼%

or

- the *New York City Manhattan Residents* line if the receipts are taxable at the combined rate of 10¼% because the service is provided to a Manhattan resident who furnishes the vendor with a validated certificate of exemption issued by the New York City Department of Finance. (For those Manhattan residents who qualify for the 8% exemption).

Part II: Vendors providing cleaning and maintenance services, credit rating and reporting services, interior decorating and designing services, miscellaneous personal services and protective and detective services (see note) within New York City, should report receipts from these services on the appropriate line in Part II of this form.

All receipts from interior cleaning and maintenance services in New York City must be reported on Schedule N. Receipts from contracts for a period of less than 30 days (or for occasional cleaning or maintenance) must be reported on the *NYC - Cleaning and Maintenance Services (Less than 30 days)* line. Receipts from contracts for a period of 30 days or more must be reported on the *NYC - Cleaning and Maintenance Services (30 days or more)* line.

Note: *Protective and detective services do not include services performed by a port watchman licensed by the Waterfront Commission of New York Harbor. The term port watchman includes a watchman, gateman, roundsman, detective, guard, guardian or protector of property employed by the operator of any pier or other waterfront terminal or by a carrier of freight by water to perform services in such capacity on any pier or other waterfront terminal.*

Part III: Operators of hotels, motels and similar establishments within New York City should report receipts from hotel room occupancy on the appropriate line of this section. Receipts from the first 90 days of occupancy are subject to a combined state and local sales tax rate of 8¼%. Receipts for the 91st through 180th days of occupancy are subject to the 4% local tax.

After 180 consecutive days of occupancy the room occupant is not required to pay either state or local sales tax on the charge for room occupancy.

All other sales by hotels, motels, etc. (restaurant sales, gift shop sales, etc.) subject to state and local sales tax should be reported on page 2 of Form ST-810 or appropriate schedules. Sales subject to the 5% special hotel occupancy tax must be reported on Schedule A that accompanies the regular quarterly sales tax return for part-quarterly filers (ST-810). Vendors who file Schedule N and who provide hotel occupancy of rooms or suites of rooms at rates of \$100 or more per day must file Schedule A in addition to Schedule N and their regular sales tax return.
