Instructions

Vendor collection credits

To compute your vendor collection credit for this schedule see *Vendor Collection Credits* on page 4 of Form ST-810, *New York State and Local Sales and Use Tax Return Quarterly for Part-Quarterly Filers*.

Schedule A should be completed by:

- vendors and operators of hotels, motels, restaurants, taverns and other establishments within the counties of Nassau and Niagara who are required to collect tax on hotel room occupancy, food or drink;
- other establishments within the counties, that sell heated foods for off premises consumption (supermarkets, caterers, etc.) and;
- recipients of admission charges, club dues and cabaret charges within Niagara county.

A vendor who must file Schedule A must also complete Form ST-810, reporting other taxable receipts on Form ST-810, Part II. Instructions that apply to Form ST-810 also apply to Schedule A.

The cities listed on Schedule A impose a tax on one or more of the sales shown above but do not impose a general sales tax. Therefore, to make proper distribution of revenue, the receipts from these sales made anywhere in Nassau or Niagara Counties (the counties in which these cities are located) must be reported on this schedule. Since the city of Lockport imposes a tax on both the sale of food and drink and on hotel room occupancy, but the city of North Tonawanda imposes a tax on only food and drink, in Niagara County sales of hotel occupancy must be reported separately from sales of food and drink.

Part I: In Nassau County, a hotel, restaurant, tavern operator or caterer must use this schedule to report the taxable receipts from hotel occupancies or restaurant sales, including sales of alcoholic beverages. Receipts in the city of Long Beach must be reported on the Long Beach (city) line and receipts outside the city must be reported on the Nassau County (outside Long Beach) line.

In Niagara County, a vendor must report sales of hotel occupancy separate from sales of food and drink. Report the receipts from hotel occupancy in the respective cities (Niagara Falls and Lockport) on the individual lines provided for these cities and the sales in the remainder of the county on the Niagara County line. Report the receipts from sales of food and drink in the same manner (i.e., in the cities of Niagara Falls,

Lockport and North Tonawanda on the individual city lines and in the remainder of the county, on the Niagara County line).

Other taxable receipts throughout those counties, such as those from the candy counter or cigarette counter, must be reported on Form ST-810, Part II, on the Nassau County or Niagara County line.

Part II: A vendor in Niagara County having taxable receipts from admissions, club dues or cabaret charges would collect the 7% combined (state and city) tax in the cities of Niagara Falls and Lockport and the 7% combined (state and county) tax in the remainder of Niagara County.

The taxable receipts from these admissions, club dues and cabaret charges must be reported on the appropriate lines of this schedule (on the Niagara Falls (city), Lockport (city) or Niagara County lines).

The Hudson River Valley Greenway fee was repealed effective July 1, 1994, and the Special Hotel Occupancy Tax was repealed effective September 1, 1994. Therefore, there will no longer be a Part III or Part IV on this schedule.

Taxable receipts - column (c)

Report on each appropriate line taxable receipts for the type of tax imposed by the locality shown on that line. Add the amounts reported in column (c) for Parts I and II. Include this total in the amount reported on Form ST-810, Part I, box B.

Tax - column (e)

Compute the tax by multiplying the amount in column (c) by the combined state and local tax rate shown in column (b) for Parts I and II.

Add the amounts reported in column (e) for Parts I and II. Include this total in the amount reported on Form ST-810, Part I, line 1.
