If you are filing Schedule A, whether or not you are reporting any tax on pages 2 or 3 of your return, see *Vendor Collection Credit* in the instructions on the back of this form before entering the total tax due on line 1 of Form ST-100.

Instructions

Schedule A must be completed by vendors in Nassau and Niagara Counties who operate any of the following:

- hotels, motels, or similar establishments required to collect tax on room occupancy;
- restaurants, taverns, or similar establishments required to collect tax on food and drink (including alcoholic beverages); and
- catering services, delicatessens, hot dog stands, supermarkets, or similar establishments that sell heated foods, sandwiches, or similar restaurant-type prepared foods.

Schedule A must also be completed by vendors in Niagara County (only) who receive admission charges, club dues, and cabaret charges.

A vendor who must file Schedule A must also complete Form ST-100, *New York State and Local Quarterly Sales and Use Tax Return*, reporting other taxable receipts on Form ST-100, Part II. Instructions that apply to Form ST-100 also apply to Schedule A.

Effective September 1, 1998, the sale of food and/or drink in the city of North Tonawanda is no longer reported separately from Niagara County. Report the sale of food and/or drink made in the city of North Tonawanda on the Niagara County line on this form.

The cities listed on Schedule A impose a tax on one or more of the sales shown above but do not impose a general sales tax. Therefore, to make proper distribution of revenue, the receipts from these sales made anywhere in Nassau or Niagara counties (the counties in which these cities are located) must be reported on this schedule.

Part I: In Nassau County, a hotel, restaurant, tavern operator or caterer must use this schedule to report the taxable receipts from hotel occupancies or restaurant sales, including sales of alcoholic beverages. Receipts in the city of Long Beach must be reported on the *Long Beach (city only)* line and receipts outside the city must be reported on the *Nassau County (outside city of Long Beach)* line.

In Niagara County, a vendor must report sales of hotel occupancy separate from sales of food and drink. Report the receipts from hotel occupancy in the cities of Niagara Falls and Lockport on the individual lines provided for these cities and the sales in the remainder of the county on the Niagara County line. Report the receipts from sales of food and drink in the same manner (i.e., in the cities of Niagara Falls and Lockport on the individual city lines and, in the remainder of the county, on the Niagara County line).

Other taxable receipts throughout those counties, such as those from a candy counter or cigarette counter, must be reported on Form ST-100, Part II, on the Nassau County or Niagara County lines respectively.

Part II: A vendor having receipts from admissions, club dues or cabaret charges in the cities of Niagara Falls and Lockport must collect the 7% combined (state and city) tax. These receipts must be reported on the appropriate lines of this schedule: *Niagara Falls (city only)* or *Lockport (city only)*. Vendors making these sales in the remainder of Niagara County must collect the 7% combined (state and county) tax and report it on the *Niagara County* line.

Taxable receipts - column (c)

Report on each appropriate line taxable receipts for the type of tax imposed by the locality shown on that line. Add the amounts reported in column (c) for Parts I and II. Include this total in the amount reported on Form ST-100, Part I, box B.

Tax - column (e)

Multiply the amount in column (c) by the combined state and local tax rate shown in column (b) for Parts I and II.

Add the amounts reported in column (e) for Parts I and II. Include this total in the amount you report on Form ST-100, Part I, line 1, after you compute your vendor collection credit.

Vendor Collection Credit

To determine your vendor collection credit, complete the worksheet on page 4 of Form ST-100, and the *Vendor Collection Credit* box on page 3. If you report sales tax due on Schedule A, but report **no** tax due on pages 2 or 3 of Form ST-100 (or less tax due than the amount of the vendor collection credit), the figure on page 3, line G, will be a **negative** amount. To determine your net tax due, you must subtract the negative amount on line G from the total tax reported in column (e) of Schedule A. (If you report tax due on more than one schedule, add the amounts from **all** the schedules before you subtract.) Enter the result in Part I, line 1, of Form ST-100.

Credits

Credits that can be identified by locality should be taken on the appropriate line(s) on the front of this form. Show net credits (negative amounts) in parentheses. Include credits taken on this form in the total amount entered on Form ST-100, Part I, box D, with the exception of the vendor collection credit.
