

Instructions for Form CT-3M/4M

General Business Corporation MTA Surcharge Return

CT-3M/4M-I

General information

Who must file this form and pay this surcharge —

A taxpayer filing Form CT-3, CT-3-A, or CT-4 under Article 9-A that does business, employs capital, owns or leases property, or maintains an office in the Metropolitan Commuter Transportation District (MCTD), must also file Form CT-3M/4M and pay a metropolitan transportation business tax surcharge on business done in the Metropolitan Transportation Authority region (MTA surcharge). The MCTD includes the counties of New York, Bronx, Kings, Queens, Richmond, Dutchess, Nassau, Orange, Putnam, Rockland, Suffolk, and Westchester.

Qualified homeowners associations should refer to TSB-M-00(2)C for information about the MTA surcharge.

Estimated MTA surcharge — Any corporation doing business in the MCTD that is required to make a declaration of estimated franchise tax must also make a declaration of estimated MTA surcharge and make quarterly installment payments on Form CT-400, *Estimated Tax for Corporations*. For additional information, see the instructions for line 5b and Form CT-400-I.

MTA surcharge rate — The MTA surcharge rate is 17% for calendar year 2002 or for fiscal years beginning on or after January 1, 2002, and ending before December 31, 2003.

When and where to file — File this return and pay the amount of MTA surcharge due within 2½ months after the end of your reporting period. If your filing date falls on a Saturday, Sunday, or legal holiday, then you must file your return on or before the next business day.

Extension of time for filing MTA surcharge return —

You may request additional time to file an MTA surcharge return. File Form CT-5 or CT-5.3 on or before the due date of the return for which you are requesting the extension, and pay the MTA surcharge you estimate to be due.

Amended return — If you are filing an amended, check the *Amended return* box on the front, top of Form CT-3M/4M.

Important identifying information — For us to process your corporation tax forms, it is important that we have the necessary identifying information. You will find your employer identification number and file number just above your printed corporation tax name and address. Keep a record of that information and include it on each corporation tax form mailed.

If you use a paid preparer or accounting firm, make sure they use your complete and accurate information when completing all forms.

Reporting period — If you are a calendar-year filer, check the box in the upper right corner on the front of the form.

If you are a fiscal-year filer, complete the beginning and ending tax period boxes in the upper right corner on the front of the form.

Percentages — When computing allocation percentages, convert decimals into percentages by moving the decimal point two spaces to the right. Carry percentages to four decimal places. For example: $5,000/7,500 = 0.6666666 = 66.6667\%$.

Line instructions

Line A — Make your payment in United States funds. We will accept a foreign check or foreign money order only if payable through a United States bank or if marked **Payable in U.S. funds**.

Computation of MTA surcharge

Line 1 — The Tax Law requires that the MTA surcharge be computed using the franchise tax rates in effect for the period July 1, 1997, through June 30, 1998.

To determine the amount to enter on line 1, find the **first condition** on the back that applies to you, and follow the instructions indicated for that condition.

For example, if the amounts on Form CT-3, lines 71, 74, and 82 are all \$100, then your situation would be described in **both** conditions 1 and 2. In that event you would follow the instructions for the first condition satisfied, in this case condition 1, and ignore the instructions for condition 2.

***Short period returns:** In the instructions and worksheets on the back, if your taxable period is 6 months or less, in place of **\$325** enter **\$162.50**. If your taxable period is more than 6 months but not more than 9 months, in place of **\$325** enter **\$243.75**. If your taxable period is more than 9 months, the \$325 will apply.

Line 2 — Complete the appropriate part of Schedule A and enter your MCTD allocation percentage from line 35, line 43, or line 45.

Line 5b — Enter 25% (.25) of the amount from line 4 if you did not file Form CT-5 or CT-5.3, and the franchise tax on Form CT-3, CT-4, or CT-3-A is more than \$1,000 but less than or equal to \$100,000. Enter 30% (.30) of the amount from line 4 if you did not file Form CT-5 or CT-5.3, and the franchise tax on Form CT-3, CT-4, or CT-3-A is more than \$100,000. Enter "0" if you did not file Form CT-5 or CT-5.3, and the franchise tax on Form CT-3, CT-4, or Form CT-3-A is not more than \$1,000.

Line 9 — If you underpaid your estimated MTA surcharge, use Form CT-222, *Underpayment of Estimated Tax by a Corporation*, to compute the penalty. Attach Form CT-222, check the box, and enter the amount of penalty on this line. If no penalty is due, enter "0."

Line 13 — You may divide your overpayment in any way you choose on lines 14, 15, and 16.

Collection of debts from your refund — We will keep all or part of your refund if you owe a past-due legally enforceable debt to the Internal Revenue Service (IRS) or to a New York State agency. For more information, see page 10 or page 18 of Form CT-3/4-I, or page 15 of Form CT-3-A-I.

Schedule A — Computation of MCTD allocation percentage

- If you do all of your New York State business within the 12 counties of the MCTD, enter 100% on line 2. Do not complete Schedule A.
- If you do part of your business outside of the MCTD, but not outside of New York State, compute your MCTD allocation by completing this schedule. Use the same instructions used in Form CT-3/4-I, Schedule A, or Form CT-3-A-I, lines 118a through 163 of Form CT-3-A. When reading the instructions, substitute *New York State* for *Everywhere* and *MCTD* for *New York State*.
- If you are an aviation corporation, you must compute your MCTD allocation percentage without regard to the 40% reduction of the revenue aircraft arrivals and departures, revenue tons handled, and originating revenue attributable to New York State. With the exception of the 40% reduction, use the same instructions used in Form CT-3/4-I, Schedule A Part I, or CT-3-A-I, lines 118a through 128 of Form CT-3-A. When reading the instructions, substitute *New York State* for *Everywhere* and *MCTD* for *New York State*.
- If you claimed a business allocation percentage on Form CT-3, Schedule A, or Form CT-3-A, enter the New York State figures from that form in Schedule A, Column B, of Form CT-3M/4M. When reading the instructions, substitute *New York State* for *Everywhere* and *MCTD* for *New York State*.

Part I — Determine the MCTD allocation by averaging the percentages of the corporation's property, receipts, and wages that apply to the MCTD.

Part II — Determine the MCTD allocation by averaging the percentage of the aviation corporation's revenue aircraft arrivals and departures, revenue tons handled, and originating revenue that apply to the MCTD. Include 100% of your New York State amounts, before the 40% reduction, from Form CT-3, lines 112a, 114a, and 116a, or Form CT-3A, column E, lines 118a, 121a, and 124a, and enter these amounts on the corresponding lines in Schedule A, Part II, Column B of Form CT-3M/4M.

Part III — Determine the MCTD allocation by dividing the trucking or railroad corporation's total revenue miles within the MCTD by the total revenue miles within New York State (excluding nonrevenue miles, such as deadheading miles).
