Instructions

Important reminder to file a complete return: You must complete all required schedules and forms that make up your return, and include all pages of those forms and schedules when you file.

General information

Effective for tax years beginning on or after January 1, 2009, the fuel cell electric generating equipment credit expired.

Credit amount

- The credit cannot reduce the tax to less than the following minimum taxes:
- The fixed minimum tax under Article 9, sections 183 and 185
- The larger of the tax on minimum taxable income (MTI) base or fixed dollar minimum tax as computed under Article 9-A
- The fixed minimum tax of \$250 computed under Article 32
- The fixed minimum tax of \$250 under Article 33

Under Article 9, the credit must first be deducted from the taxes imposed by section 183. Any credit remaining may then be deducted from the taxes imposed by section 184.

The credit allowed is not refundable. However, any amount of credit not claimed in the current tax year may be carried forward for an unlimited number of tax years.
