General information

Who must file Form CT-186-P – Every utility doing business in New York State that is subject to the supervision of the New York State Department of Public Service that transports, transmits, or distributes gas or electricity, by means of mains, pipes, or wires for ultimate consumption or use by the purchaser in this state must file this form. *Utilities* include persons, corporations, companies, associations, joint stock associations, partnerships, estates, assignees of rents, persons acting in a fiduciary capacity, and persons, their assignees, lessees, trustees, or receivers, appointed by any court, that are subject to the supervision of the New York State Department of Public Service. Utilities that do not have any receipts from the transportation, transmission, or distribution of gas or electricity are not required to file this return.

The following taxpayers are required to file Form CT-186-P:

- A. All municipalities, political and civil subdivisions, and public districts that transport, transmit, or distribute gas or electricity must file. Do not include as taxpayers those described under *Exemption from tax*, item 2.
- B. All municipalities engaged in the transportation, transmission, or distribution of electricity must file. Do not include as taxpayers those described under *Exemption from tax*, item 3.

A utility subject to section 186-a that has gross income of less than \$500 for the tax year ending December 31 is exempt from the payment of the tax under this section, but must still file a return. For additional information, see the instructions for lines 3 and 4.

Electronic filing and electronic payment mandate – Certain tax preparers using tax software to prepare tax documents, and certain taxpayers preparing their own tax documents using tax software, must, for the applicable calendar year and all succeeding calendar years, e-file all documents authorized by the Commissioner to be e-filed. Any tax liability or other amount due required to be paid with a tax document that must be e-filed must also be e-paid.

More collection options for New York State – If you owe unpaid debt to New York State, we may collect your debt by taking money from, or offsetting, payments owed you by the federal government

or by another state. Reciprocal offset agreements also allow the federal government, as well as other states, to collect delinquent non-tax debt by offsetting payments owed you by New York State.

Other forms you may have to file

Reporting requirements for tax shelters – The Tax Law requires taxpayers to report information about transactions that present the potential for tax avoidance (tax shelters). There are separate reporting requirements for those who use tax shelters and for those who promote the use of tax shelters. For the most recent information on these reporting requirements visit our Web site.

Excise tax on telecommunication services – If you are a telephone or telegraph company or other provider of telecommunication services, even if those services are not your primary business, **do not** file this form. File Form CT-186-E, *Telecommunications Tax Return and Utility Services Tax Return*, instead to report the tax imposed by Article 9 sections 186-a and 186-e.

Exemption from tax – The following are exempt from taxation under section 186-a and **do not** have to file Form CT-186-P:

1. New York State, municipalities, political and civil subdivisions of New York State, or municipal and public districts, when selling or furnishing steam, water, or refrigeration service.
2. Municipalities, political and civil subdivisions, and public districts that sell or furnish gas, electricity, and gas or electric service, including the sale of the transportation, transmission, or distribution of gas or electricity, if they own and operate facilities used to generate electricity or distribute electricity or gas, and then sell or distribute such electricity or gas solely at retail within their jurisdiction.
3. Municipalities engaged in the retail sale of electricity or the transportation, transmission, or distribution of electricity, when all such electricity has been generated solely by and purchased solely from New York State or a public authority of New York State (for example, New York State Power Authority).
4. Not-for-profit corporations and associations described in Tax Law, Article 28, section 1116(a)(4), organized and operated exclusively for religious, charitable, or educational purposes, when the organization resells gas or electricity, or gas or electric service, as landlord to its tenants in buildings owned by the organization.
5. A corporation leasing from a city in New York State a water works system to supply water at cost to relieve water pollution in a river within that city.
6. Limited dividend housing corporations organized under the Private Housing Finance Law.

When and where to file – You must report gross income on a calendar-year basis to New York State, even if you maintain your records and report to the Internal Revenue Service (IRS) using a fiscal accounting period.

This return is due on March 15, following the close of each calendar year. If March 15 falls on a Saturday, Sunday, or legal holiday, the return is due on the next business day.

Mail your return to: **NYS CORPORATION TAX
PROCESSING UNIT
PO BOX 22038
ALBANY NY 12201-2038**

Private delivery services – If you choose, you may use a private delivery service, instead of the U.S. Postal Service, to mail in your form and tax payment. However, if, at a later date, you need to establish the date you filed or paid your tax, you cannot use the date recorded by a private delivery service **unless** you used a delivery service that has been designated by the U.S. Secretary of the Treasury or the Commissioner of Taxation and Finance.

(Currently designated delivery services are listed in Publication 55, *Designated Private Delivery Services*. See *Need help?* for information on obtaining forms and publications.) If you have used a designated private delivery service and need to establish the date you filed your form, contact that private delivery service for instructions on how to obtain written proof of the date your form was given to the delivery service for delivery. If you use **any** private delivery service, whether it is a designated service or not, send the forms covered by these instructions to: State Processing Center, 431C Broadway, Albany NY 12204-4836.

Extension of time for filing tax return — If you cannot meet the filing deadline, you may request an extension of time by filing Form CT-5.9, *Request for Three-Month Extension to File*, on or before the due date of the return for which you are requesting the extension, and paying any amount you estimate to be due. An extension of time granted by the IRS to file a federal tax return does not extend the due date for filing Form CT-186-P.

Final return — Mark an **X** in this box if this is the last return you intend to file because you have ceased doing business.

Amended return — If you are filing an amended return, mark an **X** in the *Amended return* box on page 1 of the return.

An amended New York State return requesting a credit or refund must be filed within three years of the time the original return was filed or within two years of the time the tax was paid, whichever is later; or, if no return was filed, within two years of the time the tax was paid. For additional limitations on credits or refunds, see Tax Law, Article 27, section 1087.

Employer identification number, file number, and other identifying information — Enter your employer identification number and file number. If you use a paid preparer or accounting firm, make sure they use your complete and accurate identifying information when completing all forms.

Maintenance fee for foreign corporations — If you are a *foreign corporation* (a corporation organized outside of New York State) authorized to do business in New York State under Business Corporation Law, Article 13 or 15-A, you must pay an annual maintenance fee of \$300. If you do not pay this fee or its equivalent in New York State corporation taxes and MTA surcharges, your authorization to do business in New York State may be annulled. Payments of New York State corporation taxes (including the MTA surcharge) under Articles 9, 9-A, and 32 are counted as payments toward the \$300 annual maintenance fee. However, the license fee reported on Form CT-240, *Foreign Corporation License Fee Return*, is not considered corporation tax and cannot be considered as a payment toward the maintenance fee.

If the total of corporation taxes and MTA surcharges paid on this year's tax returns is less than \$300, compute the amount necessary to equal the \$300 maintenance fee and add that amount to the tax due on your franchise tax return.

Foreign corporations – license fee — Foreign corporations doing business in New York State must also file Form CT-240 whether or not they are authorized to do business in New York State. Form CT-240 must be filed with the corporation's first franchise tax return or if the capital stock employed in New York State has increased since the last license fee return was filed.

MTA surcharge — Any corporation taxable under Article 9, section 186-a, that does business in the Metropolitan Commuter Transportation District (MCTD) must file Form CT-186-P/M, *Utility Services MTA Surcharge Return*, and pay an MTA surcharge on business done in the Metropolitan Transportation Authority region. The MCTD includes the counties of New York, Bronx, Queens, Kings, Richmond, Dutchess, Nassau, Orange, Putnam, Rockland, Suffolk, and Westchester.

Corporations not doing business in the MCTD must disclaim liability for the MTA surcharge by marking an **X** in the *No* box on page 1 of Form CT-186-P. They are not required to file Form CT-186-P/M.

Specific instructions

Line A — Make your check or money order payable in United States funds. We will accept a foreign check or foreign money order only if payable through a United States bank or if marked **Payable in U.S. funds**.

Computation of tax

Computation of gross receipts from the transportation, transmission, or distribution of gas and electric service

Gross income means receipts received as a result of any sale (conditional or otherwise) made or service rendered for ultimate consumption or use by the purchaser. This includes cash credits and property of any kind without any deductions for the cost of property sold, the cost of materials used, labor, services, or other costs, interest or discount paid, or any other expenses.

Line 2 — Allowable exclusions from receipts on line 1:

- Receipts from sales of transportation, transmission, or distribution of gas or electricity by means of conduits, mains, pipes, wires, lines, or similar means to any of the following:
 - A utility (excluding a public authority) supervised by New York State or another jurisdiction when an element of such supervision includes rate regulation; or
 - A municipality that owns and operates facilities that are used to generate or distribute electricity or distribute gas and that distributes and sells this electricity or gas solely at retail, solely within its jurisdiction; or
 - A public authority of New York State when that public authority is primarily engaged in the generation and transmission or distribution of electricity or gas and at least 95% of the assets are so devoted.
- Receipts from sales of transportation, transmission, or distribution of electricity to a municipality when the electricity being transported has been purchased by that municipality, and has been generated solely by and purchased solely from New York State or a public authority of New York State (for example, New York State Power Authority), and when the municipality sells solely at retail, solely within its jurisdiction, the electricity being transported, transmitted, or distributed.
- Receipts from sales of transportation, transmission, or distribution of gas or electricity to not-for-profit corporations and associations organized and operated exclusively for religious, charitable, or educational purposes, described in Tax Law section 1116(a)(4), when that organization resells the transportation, transmission, or distribution as part of a bundled gas or electric service as landlord to its tenants in buildings owned by that organization.

In addition, 100% of your receipts received from nonresidential customers representing the receipts from the transportation, transmission, or distribution of gas or electricity must be excluded from gross income.

The term *nonresidential customers* means those customers whose use of gas, electricity, or gas or electric service **does not** qualify for the reduced rate of sales and compensating use tax on residential gas, electricity, or gas or electric service, under Tax Law, Article 28, section 1105-A.

Computation of tax on gross income

Lines 3 and 4 — The tax rate on gross income for line 4 is 2% (.02). If the receipts on line 3 are less than \$500, you are exempt from the payment of tax under section 186-a. However, you are required to complete and file Form CT-186-P. Enter **0** on line 4.

Lines 5 and 7

Temporary deferral of certain tax credits — For tax years beginning on or after January 1, 2010, and before January 1, 2013, if the total amount of certain credits that you may use to reduce your tax or have refunded to you is greater than \$2 million, the excess over \$2 million must be deferred to, and used or refunded in, tax years beginning on or after January 1, 2013. For

more information about the credit deferral, see Form CT-500, *Corporation Tax Credit Deferral*.

If you are subject to the credit deferral, you must complete all credit forms without regard to the deferral. However, the credit amount that is transferred to your tax return to be applied against your tax due or to be refunded to you may be reduced. Follow the instructions for Form CT-500 to determine the amounts to enter on your tax return.

Line 5 — Enter the amount of the power for jobs tax credit that you are claiming. A power for jobs tax credit is available to qualified electric corporations that are local distribution companies during this calendar year. To claim the power for jobs tax credit, you must attach to Form CT-186-P a certificate from the Department of Public Service verifying the correctness of the calculation of the tax credit shown on this return. The power for jobs tax credit does not apply to the MTA surcharge (Form CT-186-P/M).

Line 7 — Enter the total amount of the listed tax credits that you are claiming. Mark an **X** in the appropriate box(es) and attach Forms CT-243, *Claim for Biofuel Production Credit*, CT-249, *Claim for Long-Term Care Insurance Credit*, and CT-631, *Claim for Security Officer Training Tax Credit*, to your return, as applicable.

Line 10 — First installment of estimated tax for the next period — If you did not file Form CT-5.9, *Request for Three-Month Extension to File*, and the tax amount shown on line 8 is more than \$1,000, you must pay a mandatory first installment of estimated tax for the next tax period. If the amount on line 8 is more than \$1,000 but not more than \$100,000, enter 25% (.25) of the total tax amount shown on line 8. If you did not file Form CT-5.9 and the tax on line 8 exceeds \$100,000, enter 40% (.40) of the amount on line 8.

Additional installments of estimated tax (Form CT-400) — If you expect your tax for the next period to exceed \$1,000, you must file Form CT-400 or Form CT-400-MN, *Estimated Tax for Corporations*, and pay the additional installments of estimated tax due on June 15, September 15, and December 15.

Line 14 — Form CT-222, *Underpayment of Estimated Tax by a Corporation*, is filed by a corporation to inform the Tax Department that the corporation meets one of the exceptions to reduce or eliminate the underpayment of estimated tax penalty pursuant to Tax Law, Article 27, section 1085(d).

Line 15 — If you do not pay the tax on or before the original due date (**without** regard to any extension of time for filing), you must pay interest on the amount of the underpayment from the original due date to the date paid. Exclude from the interest computation any amount shown on line 9 or 10. You may visit our Web site or call the Tax Department for the current interest rate or to have the interest computed for you. See *Note*.

Line 16 — Compute additional charges for late filing and late payment on the amount of tax minus any payment made on or before the due date (**with** regard to any extension of time for filing). Exclude from the penalty computation any amount shown on line 9 or 10.

- A. If you do not file a return when due, or if the request for extension is invalid, add to the tax 5% (.05) per month up to 25% (.25) (section 1085(a)(1)(A)).
- B. If you do not file a return within 60 days of the due date, the addition to tax in item A cannot be less than the smaller of \$100 or 100% of the amount required to be shown as tax (section 1085(a)(1)(B)).
- C. If you do not pay the tax shown on a return, add to the tax ½% (.005) per month up to 25% (.25) (section 1085(a)(2)).
- D. The total of the additional charges in item A and C may not exceed 5% (.05) for any one month, except as provided for in item B above (section 1085(a)).

If you think you are not liable for these additional charges, attach a statement to your return explaining the delay in filing, payment, or both (section 1085).

Note: You may compute your penalty and interest by accessing our Web site, or you may call and we will compute the penalty and interest for you (see *Need help?*).

Lines 23 and 24 — The security officer training tax credit and the biofuel production credit are refundable. Any unused credit may be refunded or credited using lines 23 and 24. No interest is payable on any refund or credit allowed.

Composition of prepayments claimed on line 12

If you need more space, write **see attached** in this section and attach a separate sheet showing all relevant prepayment information. Transfer the total to line 32, *Total prepayments*.

Signature

The return must be certified by the president, vice president, treasurer, assistant treasurer, chief accounting officer, or other officer authorized by the taxpayer corporation.

The return of an association, publicly traded partnership, or business conducted by a trustee or trustees must be signed by a person authorized to act for the association, publicly traded partnership, or business.

If an outside individual or firm prepared the return, all applicable entries in the paid preparer section must be completed, including identification numbers. Failure to sign the return will delay the processing of any refunds and may result in penalties. (For more information on paid preparer identification numbers, see *Changes for 2010* in Form CT-1.)

How to fill out your tax return

Business information

Enter the corporation's business information at the top of the first page. Be sure to enter the corporation's mailing name if different from its legal name.

If you need to update your corporation tax address or phone information, you can do so online. Visit our Web site (see *Need help?*) and look for the change my address option. Otherwise, enter your new address and/or phone number in the appropriate area of your return and mark an **X** in the box under the address. Do not mark an **X** in this box if your address and/or phone number

is new since your last filing but was already updated online, or for any change of business information other than your address and/or phone number. Once your corporation tax information is updated online, you do not need to indicate a change of address on any corporation tax forms submitted to the Tax Department (or for any forms for tax types you select to be updated in addition to corporation tax).

If you prefer to change your address by form, use Form DTF-96, *Report of Address Change for Business Tax Accounts*. You must report other changes (such as business name or ID number) on Form DTF-95, *Business Tax Account Update*. You can get these forms from our Web site, by fax, or by phone (see *Need help?*).

Entry formats

Entering dates — Unless you are specifically directed to use a different format, enter dates in the *mm-dd-yy* format (using dashes and not slashes).

Negative amounts — Show any negative amounts with a minus (-) sign.

Percentages — When computing percentages, convert decimals into percentages by moving the decimal point two spaces to the right. Round percentages to four decimal places.

Example: $5,000/7,500 = 0.6666666 = 6.6667\%$.

Whole dollar amounts — You may elect to show amounts in whole dollars rather than in dollars and cents. Round any amount from 50 cents through 99 cents to the next higher dollar. Round any amount less than 50 cents to the next lower dollar.

Third-party designee

If you want to authorize another person (third-party designee) to discuss this tax return with the New York State Tax Department, mark an **X** in the Yes box in the *Third-party designee* area of your return. Also **print** the designee's name, phone number, and any five-digit number the designee chooses as his or her personal identification number (PIN). If you want to authorize the paid preparer who signed your return to discuss the return with the Tax Department, **print** the preparer's name in the space for the designee's name and enter the preparer's phone number in the space for the designee's phone number. You do not have to provide the other information requested. If you do not want to authorize another person, mark an **X** in the *No* box.

If you mark the Yes box, you are authorizing the Tax Department to discuss with the designee any questions that may arise during the processing of your return. You are also authorizing the designee to:

- give the Tax Department any information that is missing from your return;
- call the Tax Department for information about the processing of your return or the status of your refund or payment(s); and
- respond to certain Tax Department notices that you shared with the designee about math errors, offsets, and return preparation. The notices will not be sent to the designee.

You are not authorizing the designee to receive your refund, bind you to anything (including any additional tax liability), or otherwise represent you before the Tax Department. If you want the designee to perform those services for you, you must file Form POA-1, *Power of Attorney*, making that designation with the Tax Department. Copies of statutory tax notices or documents (such as a *Notice of Deficiency*) will only be sent to your designee if you file Form POA-1.

You cannot change the PIN. The authorization will automatically end on the due date (without regard to extensions) for filing your next year's tax return.

Important reminder to file a complete return: You must complete all required schedules and forms that make up your return, and include **all pages** of those forms and schedules when you file. Returns that are missing required pages or that have pages with missing entries are considered incomplete and cannot be processed, and may subject taxpayers to penalty and interest.

Use of reproduced and computerized forms

Photocopies of returns are acceptable if they are of good quality and have an original signature in the proper place. We will accept computer-produced corporation tax returns if they meet our printing specifications. For more information, see Publication 76, *Specifications for Reproduction of New York State Corporation Tax Forms*.

General information

Collection of debts from your refund or overpayment

We will keep all or part of your refund or overpayment if you owe a past-due, legally enforceable debt to a New York State agency, or if you owe a New York City tax warrant judgment debt. We may also keep all or part of your refund or overpayment if you owe a past-due legally enforceable debt to another state, provided that state has entered into a reciprocal agreement with New York State. If we keep your refund or overpayment, we will notify you.

A New York State agency includes any state department, board, bureau, division, commission, committee, public authority, public benefit corporation, council, office, or other entity performing a governmental or proprietary function for the state or a social services district. We will refund or apply as an overpayment any amount over your debt.

The Tax Department is authorized to charge the taxpayer, as part of the taxpayer's tax debt, any cost or fee imposed or charged by the United States, or any state, for the payment or remittance of a taxpayer's overpayment to satisfy a New York State tax debt.

If you have any questions about whether you owe a past-due, legally enforceable debt to a state agency, or to another state, or whether you owe a New York City tax warrant judgment debt, contact the state agency, the other state, or the New York City Department of Finance.

For New York State tax liabilities only, call (518) 457-5434 or write to: NYS Tax Department, Collections and Civil Enforcement Division, W A Harriman Campus, Albany NY 12227.

Fee for payments returned by banks

The law allows the Tax Department to charge a \$50 fee when a check, money order, or electronic payment is returned by a bank for nonpayment. However, if an electronic payment is returned as a result of an error by the bank or the department, the department won't charge the fee. If your payment is returned, we will send a separate bill for \$50 for each return or other tax document associated with the returned payment.

Tax shelter penalties

The Tax Law provides penalties for failure to disclose certain transactions and related information regarding tax shelters and for the underpayment of taxes due to participation in these shelters. For more information, refer to TSB-M-05(2)C, *Disclosure of Certain Transactions and Related Information Regarding Tax Shelters*.

Voluntary Disclosure and Compliance Program

The Voluntary Disclosure and Compliance Program provides relief from certain penalties and criminal prosecution to eligible taxpayers who come forward and reveal previously undisclosed liabilities. For more information, see TSB-M-08(11)C, *Voluntary Disclosure and Compliance Program*.

Your rights under the Tax Law

The Taxpayer Bill of Rights requires, in part, that the Tax Department advise you, in writing, of your rights and obligations during an audit, when you appeal a departmental decision, and when your appeal rights have been exhausted and you need to understand enforcement capabilities available to the department to obtain payment. For a complete copy of the information contained in all of these statements, you may obtain Publication 131, *Your Rights and Obligations Under the Tax Law*, by visiting our Web site or by calling (see *Need help?*).
