General information

The tax under Article 33-A is imposed on any individual, partnership, corporation, limited liability company, society, association, joint-stock company, estate, receiver, trustee, assignee, referee, and any other person acting in a fiduciary capacity, who purchases or renews a taxable insurance contract from an insurer not authorized to transact business in New York State (NYS) under a certificate of authority from the Superintendent of Insurance. The tax rate is 3.6% of premiums paid or payable, minus returns thereon, on taxable insurance contracts when the risk is located or resident in New York State, and applies to all contracts purchased or renewed.

A taxable insurance contract includes contracts described in New York State Insurance Law section 1113(a), paragraphs (4) through (14), (16), (17), (19), (20), and (22). This includes the following types of insurance: fire, miscellaneous property, water damage, burglary and theft, glass, boiler and machinery, elevator, animal, collision, personal injury liability, property damage liability, fidelity and surety, motor vehicle and aircraft physical damage, marine and inland marine, credit, and residual value insurance.

Premiums subject to tax include both (1) 100% of premiums paid or payable to unauthorized insurers when the risk is located or resident **entirely within** New York State, **and** (2) an allocated portion of premiums, paid or payable to unauthorized insurers, when the risk is located or resident both **within and outside** New York State.

Exemptions — The tax imposed by Article 33-A does not apply to:

- Any taxable insurance contract procured through a New York licensed excess line broker. **Note:** The excess line tax and other stamping fees may be required. For more information, visit the Excess Line Association of New York Web site at www.elany.org.
- Premiums received as consideration for reinsurance contracts.
- The government of the United States or any instrumentality thereof.
- New York State and its political subdivisions.
- The United Nations and any other international organizations of which the United States is a member.
- Any foreign government.
- Any taxable insurance contract of the type described under the Insurance Law in section 2117(b), (c), and (d).
- Any premium that is preempted from taxation according to federal law, including federal long-term care insurance described under United States Code Title 5, Chapter 90.

Amended return — If you are filing an amended return, mark an **X** in the *Amended return* box on the top of Form CT-33-D. If you are amending your return to claim a refund because the insurance contract is canceled prior to the expiration of the insurance period and tax was paid on the premium, enter the previously paid tax on line 6.

When filing an amended return for a credit or refund, the amended return must be filed within three years of the date the original return was filed or within two years of the date the tax was paid, whichever is later. If you did not file an original return, you must make the request within two years of the date the tax was paid. For additional limitations on credit or refunds, see Tax Law, Article 27, section 1087.

When and where to file — File this form within 60 days of the end of the calendar quarter during which the taxable insurance contract took effect or was renewed.
