Annual Schedule T Instructions

Consumer's Utility Tax for Telephone Services, Telephone Answering Services, and Telegraph Services.

Report transactions for the period March 1, 2011, through February 29, 2012.

Who must file

Complete and file Form ST-101.8, *Annual Schedule T*, if you:

- Provide telephone and telegraph service (including residential service) in the city school districts (including the counties and cities in which they are located) listed on Form ST-101.8.
- Purchased the above services or property without payment of tax (under direct payment permits, exempt purchase certificates, or otherwise).

If you must file Form ST-101.8, you must also complete Form ST-101, *New York State and Local Annual Sales and Use Tax Return*. Report in Step 3 of Form ST-101 any taxable sales and purchases not being reported on this or any other schedule.

Specific instructions

Identification number and name — Print the sales tax identification number and legal name as shown on Form ST-101 or on your business's *Certificate of Authority* for sales and use tax.

Credits — Reduce the amount of taxable sales and services to be entered on a jurisdiction line by the amount of any credits related to that jurisdiction. Include the tax credit amount on the *Credit summary* line on page 3 of Form ST-101 (see 12 c in Form ST-101-I, *Instructions for Form ST-101*). If the result is a negative number, precede it with a minus sign (-).

Enter in Column C your taxable sales of telephone services (including telephone answering services) or telegraph services to customers located in the taxing jurisdictions listed. Report in Column D your purchases of the services listed above that were made without payment of tax (under direct payment permits, exempt purchase certificates, or otherwise).

For each jurisdiction, add the Column C amount to the Column D amount, multiply the total by the tax rate in Column E, and enter the resulting tax in Column F. After entering information for all jurisdictions required, separately total Columns C, D, and F. Include the column totals on Form ST-101, per column instructions on page 1 of this schedule.

Note: Include all other sales of telephone services, telephone answering services, or telegraph services in localities not listed on Form ST-101.8, in the amount reported on Form ST-101, in Step 3. Use Form ST-101 (or other schedules) for reporting other purchases subject to tax upon which the tax has not been paid. Users who have not paid tax must report their taxable usage of utilities purchased in New York on Form ST-101.8, or on the appropriate jurisdiction line on Form ST-101.
