General information

Tax Law, Article 9-A, section 210-B.10(a) provides a tax credit to every taxpayer that has entered into a contract with the state of New York mortgage agency (SONYMA) to service mortgages acquired by such agency according to the state of New York mortgage agency act. The servicing mortgages credit is available to taxpayers subject to tax under Article 9-A (including former Article 32 taxpayers).

The credit may not reduce the tax due below the fixed dollar minimum tax. Any amount not used in the current tax year may not be refunded, credited as an overpayment, or carried forward.

The amount of credit allowed for the current year is allocated by SONYMA who supplies a letter stating the amount allowable.

Corporate partners

Since there is no provision in Tax Law Article 22 for the credit, corporate partners may not receive the credit as a pass through from a partnership.

Combined filers

Qualification for credits, including any limitations, are determined separately for each of the members of the combined group, and are not determined on a combined basis, except as otherwise provided. However, credits are to be applied against the combined tax of the group. To the extent that Article 9-A section 210-B limits this credit to the fixed dollar minimum tax amount, the fixed dollar minimum amount that is attributable to the designated agent of the combined group is the fixed dollar minimum amount.
