Quarterly Schedule B Instructions

Taxes on Utilities and Heating Fuels

Report transactions for the period March 1, 2016, through February 28, 2017.

Highlight

Beginning June 1, 2016, the Tax Law provides an exemption from sales and use tax for qualifying sales of nonresidential electricity and hydrogen generated by commercial fuel cell systems equipment. These sales are exempt from the 4% state and the ½% Metropolitan Commuter Transportation District (MCTD) sales and use taxes. Counties, cities, and certain school districts that impose local sales and use taxes on sales of nonresidential utilities can elect to provide this new exemption.

See TSB-M-16(3)S, *Sales and Use Tax Exemptions Related to Commercial Fuel Cell Systems Equipment*, for more information.

Who must file

Complete and file Form ST-101.3, *Annual Schedule B*, if you:

- Provide residential energy sources and services subject to tax.
- Provide residential electricity sold under a solar PPA in the school districts or localities listed in Part 4 of Form ST-101.3.
- Provide nonresidential utility services in the city school districts (including the counties and cities in which they are located) listed in Part 3 of Form ST-101.3.
- Provide nonresidential electricity sold under a solar PPA in the school districts, cities and counties listed in Part 5 of Form ST-101.3.
- Provide nonresidential electricity and hydrogen generated by commercial fuel cell systems equipment in the school districts, cities and counties listed in Part 6 of Form ST-101.3, for the period June 1, 2016, through February 28, 2017, **only**.
- Are a vendor supplying the above services or are billing tenants on a sub-metering basis.
- Purchased the above services or property without payment of tax (under direct payment permits, exempt purchase certificates, or otherwise).

If you must file Form ST-101.3, you must also complete Form ST-101, *New York State and Local Annual Sales and Use Tax Return*. Report in Step 3 of Form ST-101 any taxable sales and purchases not being reported on this or any other schedule.

Specific instructions

Identification number and name – On the first page, print the sales tax identification number and legal name as shown on Form ST-101 or on your business's *Certificate of Authority* for sales and use tax. If you file single pages (e.g., printed from website), **also** enter your sales tax identification number at the top of each page where space is provided.

Credits – Reduce the amount of taxable sales and services to be entered on a jurisdiction line by the amount of any credits related to that jurisdiction. If the result is a negative number, precede it with a minus sign (-). Mark an **X** in the *Are you claiming any credits* box on page 1 of Form ST-101 and include the credit amount in the total amount of credits claimed box.

You must also complete and submit Form ST-101-ATT, *Annual Schedule CW*, to provide information regarding the types of credits you claimed.
