## Credit for Taxicabs and Livery Service Vehicles Accessible to Persons with Disabilities

For costs incurred on or after January 1, 2011

### General information

#### What is the credit for taxicabs and livery service vehicles accessible to persons with disabilities?

The Tax Law allows a credit to companies that provide a taxicab or livery service using vehicles accessible to persons with disabilities. The credit is based on:

- The purchase of a new vehicle that is initially manufactured to be accessible to persons with disabilities, and for which there is no comparable make or model that does not include the equipment necessary to provide accessibility to persons with disabilities; or
- the incremental costs associated with the upgrading of a motor vehicle to a vehicle accessible to persons with disabilities.

The credit applies to purchases or incremental costs incurred on or after January 1, 2011, and may be claimed for the tax year in which the purchases or incremental costs are incurred. For purchases or costs incurred **before** January 1, 2011, and for carryovers of credits previously claimed on Form IT-239, use Form IT-239. The credit may only be claimed once per vehicle and may not exceed \$10,000 per vehicle.

If the amount of the credit exceeds the taxpayer's tax for the year, the excess is not refundable; however, any unused credit may be carried forward indefinitely.

#### Who is eligible to claim this credit?

- individuals (including sole proprietors)
- estates or trusts
- partners in a partnership (including members of a limited liability company (LLC) that is treated as a partnership for federal income tax purposes)
- beneficiaries of estates or trusts
- shareholders of New York S corporations

#### How is the credit claimed?

An estate or trust that divides the credit among itself and its beneficiaries must submit Form IT-236 with Form IT-205, *Fiduciary Income Tax Return*, showing each beneficiary's share of the credit.

A partnership must file Form IT-236 with Form IT-204, *Partnership Return*, showing the total amount of the credit.
